EXPERIENCE

ZEOMINDS IT SOLUTIONS PVT. LTD. | JR. FULL STACK DEVELOPER
Nov 2022 – Present | Hyderabad, India

➔ Managing and operating Innomatics Research Lab's primary website, built using **HTML/CSS/Bootstrap/jQuery**. (https://www.innomatics.in/)

➔ **Livescraper** : Livescraper is a Powerful Data Scraping and Lead Generation Platform That Offers Simple and User-Friendly Solutions To Help You Grow Your Business (https://livescraper.com/)

1. Collaborate with cross-functional teams, including designers, product managers,and backend engineers, to implement responsive and scalable UI components using HTML, CSS, and JavaScript frameworks (**React, Redux**).

2. Integrated and optimized **RESTful APIs**s for seamless communication between front-end and back-end services.

3. Responsible for designing and developing backend Restful APIs by utilizing the Express framework includes libraries like **JWT** and **socket io**.

4. Implemented the product's Figma Designs using React and **Material UI framework** in React and used **Chart.js** for data visualization.

PERSONAL PROJECTS

HR MANAGEMENT SYSTEM USING MERN STACK | GIT LINK
➔ Developed an HR Management System using the MERN stack with role-based authentication for employees and admins.

➔ Implemented employee self-service features, allowing users to update passwords, upload profile images, and view monthly attendance records.

➔ Created an admin panel for HR to manage employee details, generate payslips, and update attendance records, which reflect dynamically on employee profiles.

➔ Integrated secure authentication and authorization, ensuring data privacy and access control based on user roles.

ECOMMERCE USING REACT.JS AND REDUX | LIVE LINK
➔ Built an e-commerce web app using Redux Toolkit for state management, enabling product search, cart functionality (add, remove, increment), and category filtering.

➔ Implemented wishlist with local storage and displayed suggested products on product detail pages, using Fake Store API for data.

FOOD RECIPE APP USING REACT.JS AND EDAMAM API | LIVE LINK
➔ Search for a recipe, Click the "Show Ingredients" button to see the ingredients of that recipe, Click on the image to visit the recipe url

➔ Tools Used: HTML, CSS, Bootstrap, JavaScript, React.js

SKILLS

PROGRAMMING

Proficient:
HTML/CSS, Bootstrap, React, Redux, JavaScript, ES6, Javascript DOM, Material UI

Experienced:
React, JavaScript, TypeScript, Bootstrap, jQuery, RESTful API, Node.js, Express, MongoDB

Familiar:
TypeScript, Tailwind CSS

LIBRARIES

jQuery • AntD • Redux-toolkit Mongoose

TOOLS/PLATFORMS

Git • Jira • Webpack • Netlify

EDUCATION

SRI VENKATASAWARA COLLEGE OF ART'S SCIENCE
BSc IN COMPUTER SCIENCE
2017 - 2020 | Amalapuram, India

ADITYA JUNIOR COLLEGE
MPC (816 MARKS)
2015 - 2017 | Amalapuram, India

CERTIFICATES

Full Stack MERN cousre, Innomatics Research lab

ACHIEVEMENTS

Mentored 50+ students on full-stack development and React.js concepts
